

READ JOHN 20:27-31

DAY 1

When Jesus came back from the dead, it proved that what He said was true. But Thomas couldn't believe Jesus was alive until He had seen proof. How about you? Do you have to see something to believe it? We can't see gravity, but we'd be in BIG trouble if we refused to believe it existed, wouldn't we? Find the words in the puzzle below that are other things we can't see, but we know exist.

Word Bank: wind, love, time, soul, air, sound

THANK

God for always speaking the truth, even when it's hard to see or understand.

READ JOHN 3:16

DAY 2

When Jesus came back from the dead, it proved that what He said about eternal life is true! We can have eternal life with God if we believe that Jesus took the punishment for our sin. So Jesus offers us eternal life, but what does that really mean?

Get the biggest piece of paper you can find—it needs to be something you can tear, so ask a parent if you're unsure. Imagine that paper is eternity. Now tear off the smallest possible piece you can. Hold the tiny piece of paper up to the big piece. That tiny piece, as small as it is, is still not as small as your life on earth is compared to eternity. And Jesus promised us that if we believe everything He said is true while we're living as the small piece, we get to spend eternity—the big piece—with the One who made everything!

ASK

God to help you believe.

DAY 3

When Jesus came back from the dead, it proved that what He said was true! So when He says that He's going to prepare a room for us in His Father's house, which is huge, He means that too. We can trust Him.

Draw a picture of the coolest house you can imagine, and create the most perfect room you can imagine for yourself. If you want, break out the colors, glitter, anything you have that will make it look great.

As awesome as your drawing probably looks, did you know that is nothing compared to how amazing heaven really is? Thank God that He made it possible for us to join Him there one day!

LOOK for all the ways God keeps His promises to you.

READ JOHN 14:28-29

DAY 4

Because Jesus came back from the dead just like He said He would, we can also trust His promise that He'll come back for us someday too. What's your favorite dessert? Draw it below.

Have you ever had to eat something you really didn't like, but you kept eating it because your parents promised you dessert at the end? Or maybe you did like it, but you still ate it super fast because you knew the best was yet to come and you could hardly wait? That's what this life is like for those of us who love Jesus. We can believe that no matter how hard life gets (or how great it is!), that there is something much better to come for those of us who believe in Jesus.

Ask your parent if you can have one of your favorite desserts tonight or sometime soon. While you eat it, share with everyone at the table the thing that you're most looking forward to about heaven one day!

KNOW that Jesus promises the best is yet to come!
