

FINE ARTS FESTIVAL

RULEBOOK 2018

ASSEMBLIES OF GOD YOUTH MINISTRIES

ministry. Why practice so hard to develop ministry gifts? Why make an investment by participating in a Section, District, or National festival? Why allow yourself to be evaluated, why try to decipher evaluator comments, why wait on pins and needles to find out what rating you have received? What is the “why” behind Fine Arts?

Simply put, the “why” behind Fine Arts is to spread the gospel. 2 Corinthians 5:20 reads, “We are therefore Christ’s ambassadors, as though God were making his appeal through us. We implore you on Christ’s behalf: Be reconciled to God.” Everyone who has received Christ as Savior has been commissioned to be an ambassador for Christ. God is making his appeal through you. He is telling the world the good news about Jesus, and he is doing it through you!

How does this connect with Fine Arts? Fine Arts is ultimately about spreading the gospel, because whether you sing, play an instrument, dance, design, act, or speak, you can be Gospel-Centered, Spirit-Empowered, and Personally-Responsible for the mission of God. There are people all around us who need Christ. They may be in the audience as you sing, act, or preach; they may be in your dance studio; they may be in an art gallery viewing your designs. As these people interact with students using their ministry gifts, they are actually interacting with an ambassador for Christ.

As you approach your Fine Arts presentations this year, let this goal be on your mind and direct your path. Use this ministry as an opportunity to discover, develop, and ultimately to deploy your ministry gifts in a world that needs Jesus. Allow the Lord to sharpen your gifts to their fullest potential. Commit to being an ambassador for Christ: a student who is Gospel-Centered, Spirit-Empowered, and Personally-Responsible for the mission of God. Together, let us follow Colossians 3:17, “And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.”

GENERAL INFORMATION

INFORMATION

The General Information section applies to all Fine Arts Festival participants.

For information pertaining to your district festival, contact your District Youth Director or District Fine Arts Coordinator.

PURPOSE

Fine Arts Festival is a discipleship tool of the Assemblies of God National Youth Ministries of the Assemblies of God (AG) designed to help students discover, develop, and deploy their ministry gifts.

Although competitive elements are present, providing a competition venue is not the primary mission of the Fine Arts Festival. Through Fine Arts Festival, students are given the opportunity to have their skills evaluated by qualified ministers, industry professionals, and educators who encourage excellence, offer ideas for improvement, and inspire students to use their gifts in the local church, community, and around the world in ministry or secular vocation. Scores are not as important as lessons learned, experience gained, and skills developed.

RULES AGREEMENT

National Fine Arts Festival (NFAF) participants must read and abide by this 2018 Fine Arts Festival Rulebook. It is the responsibility of each participant to be familiar with the rules and procedures of this festival. No other person may be held responsible for a participant's lack of information.

By signing a District and/or Hosuton 2018 registration form and attending or participating in a festival, pastors, leaders, parents, and students acknowledge that:

1. They have read, understand, and agree to abide by the rules of this festival.
2. They will accept the decisions of the evaluators and coordinators as final.

Additional copies of the 2018 Fine Arts Festival Rulebook may be downloaded at www.faf.ag.org or ordered from Gospel Publishing House by calling 1.800.641.4310 and requesting item number 731404. A Spanish version is available for download at www.faf.ag.org/rules.cfm.

KAPPA TAU: COLLEGE FINE ARTS

Kappa Tau rules and information can be found at www.kappatau.ag.org.

DISTRICT FINE ARTS FESTIVALS

Most AG districts hold a Fine Arts Festival. Some districts have pre-district festivals (sectional, zone, etc.). Contact your district office for specific information on how to register for your local festival(s). Visit www.faf.ag.org for district contact information.

Students must register with their home church. Students may not participate with multiple churches or with churches or districts other than their own. If the student is in good standing with more than one church or youth ministry, he/she must select only one home church with which to participate.

Most district festivals follow the same rules and policies as the NFAF. However, some differences in rules and procedures may include, but are not limited to, the establishment of alternate age or grade requirements and variant scoring procedures.

The following ratings are given to presentations in Official Categories at the district level of evaluation:

Up to 25 points	Fair
26 – 30 points	Good
31 – 35 points	Excellent
36 – 40 points	Superior with Invitation
-2 points	Time Violation
-2 points	Rule Violation

The following ratings are given to presentations in NFAF Exhibition Categories at the district level of evaluation:

Up to 35 points	Not Advance
36 – 40 points	Advance

A “Superior with Invitation” or an “Advance” rating from a district festival qualifies a student to participate in the NFAF. If no presentation within a category receives a “Superior with Invitation” or “Advance” at a district festival, then no one in that category will advance to the next level of evaluation.

Participants advancing to the next level of evaluation may improve their work even to the point of completely changing the entire selection (i.e., song, script, sermon, artwork, etc.).

District festivals are not required to offer NFAF Exhibition categories. Districts may also create their own Exhibition categories with the understanding that categories not offered at the NFAF are not eligible to advance.

District-level Exhibition Division presentations are given an “Advance” or a “Not Advance” recommendation from each evaluator. All Exhibition Division entries receiving an “Advance” from at least two of the three evaluators are eligible to advance to the NFAF.

If mistakes are made in computing point values or if other situations arise that require attention at a district festival, contact your district coordinators.

It is the participant's responsibility to contact their district office for specifics regarding the district festival. NFAF is not responsible for rules, policies, or category variations specific to district festivals.

1. Participating students must be enrolled in grades 6 - 12 or be 12 to 17 years of age as of September 1, 2017.

EVALUATION PROCESS AND RATINGS

Three qualified evaluators, chosen for their education, expertise, and impartiality, evaluate each presentation using the following general criteria:

- Selection
- Communication
- Presentation and Technique
- Overall Effectiveness

At the NFAF, an average of the scores from three evaluators determines the rating of each entry.

The following ratings are given to presentations at the national level of evaluation:

- | | |
|-----------------|----------------------------------|
| Up to 25 points | Fair |
| 26 – 30 points | Good |
| 31 – 35 points | Excellent |
| 36 – 40 points | Superior |

The following awards are given at the national level of evaluation. Entries must have received a Superior on their Initial Presentation to be eligible for awards.

At the NFAF, callbacks may be conducted in categories with a large number of entries. Callbacks are issued to a top percentage or number of the entries receiving a “Superior” rating. Callbacks serve to assist the evaluators in choosing the Assemblies of God National Award of Merit, Award of Excellence, and Honorable Mention recipients.

Presentations must receive a Superior rating to be considered for a Callback or any other award. However, receiving a Superior does not automatically qualify a student for a Callback or other award. Neither evaluation sheets nor certificates are distributed for callback presentations.

The rating that NFAF participants receive during their initial presentation(s) is the rating reflected on the evaluation sheets and certificate(s) distributed at the NFAF and is the rating that serves as the permanent record for scholarship verification (in addition to any NFAF awards received).

All evaluation sheets and certificates must be picked up by noon Friday, August 3, 2018, at the on-site Certificate Booth and retained for future scholarship verification. No attempt is made after the NFAF to return materials not collected on site. The NFAF cannot print scoresheets or certificates post-Festival.

CODE OF CONDUCT

NFAF maintains a high standard for its participants and attendees. Parents, leaders, students, and guests involved in this festival should be committed to the ministry and should represent Christ in their behavior.

Parents, leaders, students, and guests are expected to demonstrate integrity, respect, and support for all other churches, teams, evaluators, participants and volunteers. An overly competitive attitude, rudeness, or unsportsmanlike conduct is not acceptable and is considered grounds for dismissal.

NFAF provides volunteers who operate as auxiliary staff for the festival. These volunteers give their time and resources and work long hours throughout the week to serve students and the festival. Any rude behavior including verbal/physical abuse directed towards our volunteer staff will not be tolerated and may result in disqualification and dismissal of parents, leaders, students, and guests.

It is the responsibility of all NFAF participants and attendees to leave a positive impression at the facilities and on the people with whom we work. Therefore, any participant or attendee showing disrespect for people or property in the host city may be disqualified and dismissed from the NFAF.

DRESS CODE

Appropriate dress is required for all entries—keeping category norms, intended audience, and ministry effectiveness in mind.

SCHOLARSHIP INFORMATION

Many AG universities, colleges, and Master's Commission programs offer scholarships to qualified district and NFAF participants. Each institution determines and administers their own application process and award amounts. Visit www.colleges.ag.org or contact the AG university or college of your choice for more information.

GENERAL RULES

INFORMATION

The General Rules section applies to all Fine Arts Festival participants.

For General Rule questions pertaining to your district festival, contact your District Youth Director or District Fine Arts Coordinator.

Read the category rules and evaluation criteria for each category in addition to the General Rules.

Category Rules govern the objective elements presentations must follow and are subject to rule violations if not followed.

Evaluation Criteria govern the subjective elements of a presentation and help define what the evaluators are looking for.

RULE AND TIME VIOLATIONS

Rule and time violations in any category receive a two-point deduction per violation, per evaluator.

CONTENT

The goal of the NFAF is to spread the gospel whether through preaching, ASL, acting, dancing, singing, playing an instrument, sculpting, painting, or any other medium, the goal remains the same: spreading the gospel. Some categories naturally lend themselves to telling the message of the gospel while others are a celebration of ministry gifts within our students in whom that message resides. The following terms are meant to serve as a guide as you prepare your Fine Arts presentations.

Christian Message: is defined as, “anything that reflects the message of Jesus.” We believe the *Christian Message* is found in the person rather than the presentation. This is illustrated by a Christian student who plays basketball. While there is nothing “Christian” about the sport of basketball, we believe this student can have an incredible witness as a basketball player. Therefore, the *Christian Message* rests in the heart of the person not the presentation of gifts.

Evident Ministry: is defined as, “a presentation that communicates a biblical truth.” Biblical truths are communicated in various ways through different mediums. Biblical truths can also be communicated through illustrations by assigning redemptive value. Please consult the category rules for clarity on which categories require *Evident Ministry*.

Redemptive Value: is defined as, “using an illustration or prop to present a biblical truth which may be outside its original intended purpose.”

Overall Effectiveness: is defined as, “a quality presentation that is deemed appropriate for this festival.”

The following content is never allowed in any Fine Arts presentation and will result in disqualification:

1. Explicit songs, lyrics, text, scripts, or images.
2. Cursing.
3. Racial slurs and intentional/blatant racial insensitivity. Remember, you are ministering to a culturally and geographically diverse audience in Fine Arts.

For further information and videos related to these terms simply scan the QR code below or visit:
s1.ag.org/FAFTERMS

TIME LIMITS

All scheduled events have time limitations (see specific category rules to find out time limits). Each presentation room has an official timekeeper. If a presentation exceeds the time limit, a two-point deduction from each evaluator is assessed.

Time for setup begins when the name of the entry/participant is called as being “up” and the announcement is made that “your setup time begins now.”

Time for the presentation begins when a participant does or says anything to indicate the beginning of the presentation, including introductory remarks.

APPROVED LANGUAGES

Bilingual entries are not permitted, except in Human Video Ensemble, Spanish (see page 50 for details).

Entries designated as American Sign Language categories must be presented entirely in American Sign Language. Entries designated as Spanish must be presented entirely in Spanish. Entries not otherwise designated, with the exception of Vocal Solo, Classical, Sr., must be presented entirely in English (see page 82 for details).

Background vocals must be in the same language as the presentation.

GROUP ENTRY PARTICIPANT GUIDELINES

A group/ensemble entry is defined as a presentation given by two to 10 students. If a category is specified as a small group/ensemble, it consists of two to four eligible students (e.g., Drama Ensemble, Small). If a category is specified as a large group/ensemble, it consists of five to 10 eligible students (e.g., Human Video Ensemble, Large).

Choir is the only group entry that is allowed more than 10 participants; up to 75 members are allowed.

SUBSTITUTIONS

If you need a substitute for a student who participated at the district level, but is unable to attend the national festival, follow these instructions:

1. Substitutions may be made between the district festival and the national festival as follows:

Small Groups (two to four participants) are allowed one substitution.

ENTERPRISE DIVISION

CATEGORIES

Registrants in the Enterprise Division may submit entries in the following category:

Business Plan: (can be a For-profit, Non-profit, or Social Enterprise organization)

INFORMATION

Read the General Information and General Rules on pages 10 - 22.

Supplemental materials including financial plan templates, a Glossary of Terms related to Business Plans, and links to business plan resources are available at <https://youth.ag.org/Participate/Fine-Arts/Resources>.

BUSINESS PLAN

Prepare a written business plan that explains your idea for developing a new business or for significantly improving an existing business. This includes businesses that:

1. Sell a service or product for a profit that primarily benefits the owner(s) (**for-profit**).
2. Provide donor supported services at no cost or limited cost to others (**non-profit**).
3. Sell a service or product for a profit from which a designated portion of sales or profit is used to provide product or services to meet the needs of others who cannot afford them (**social enterprise**).

The business plan should reflect a Christian worldview in the mission, purpose, marketing, and operation of the business but does not have to present Evident Ministry (as defined by Evident Ministry on page. 17 of this rulebook). **Christian worldview** is the set of Christian beliefs we each have that influence our understanding of God's purpose and calling for our life and how we choose to serve God and others, set priorities, evaluate circumstances, and make decisions. Preference will not be given to plans demonstrating ministry beyond adherence to the Christian worldview.

INFORMATION

Business Plan is open to students enrolled in grades 9-12 during the 2017-2018 school year.

Business Plan entries consist of two parts: (1) a **written** business plan, and (2) an **oral** presentation.

Each business plan should include a cover page (one page), core content (up to four pages), and financial plan (one page).

A printed business plan is to be provided to each evaluator at each level of participation.

Each solo/duo presenter will be provided with a podium, projector, screen, computer/laptop, and up to two microphones. See the Business Plan *Rules* section for more information on the oral presentation.

BUSINESS PLAN CONTENT

Prepare the business plan to address the questions described in the following sections:

Category Questions:

1. Is this a for-profit, non-profit, or social enterprise venture?
2. Are you introducing a product or service that is a new creation or a significant improvement to something existing?
3. Have you already initiated the new creation or significant improvement? If so, when did you start and briefly describe the current stage of development?

Customer Profile:

1. Provide a profile of the customers whom you will serve by your new or significantly improved product or service. The profile should describe what this group of customers is wanting to achieve (tasks, well-being, status), the obstacles such as inadequate resources or risks of undesirable outcomes that impede them, and any relevant information that is common with this group such as the age group, resources, location, and/or status. If your product or service meets the needs of several customer groups, then provide a profile for each.
2. What are the specific, unsatisfied wants and needs of these customer groups that are not being met by the products and services currently available to them (consider price, reliability, access, ability to use, etc.)?

VALUE PROPOSITION

1. What is the product or service you are proposing (brief description)? If creating a business plan for a pre-existing business, the plan must describe what significant changes and improvements are being made or proposed.
2. How does your new or improved product or service meet the specific, unsatisfied needs and wants of your customers (features, accessibility, customer service, etc.)?
3. If a for-profit or social enterprise business, how will you price your product or service and how does this pricing compare to competitors and to the expectations of your customers? If a nonprofit business, how will your product or service attract sustainable donor support?
4. What other competing or alternative products or services, if any, currently exist to meet the needs and wants of your proposed customers?

5. Why is your proposed product or service a better “fit” for the potential customers than those currently existing so that you will capture a sufficient share of the market to make the business successful?
6. How does your Christian worldview influence your interest in developing this business and your desire to create value for the customers you will serve? A Christian worldview is the set of Christian beliefs we have that influence our understanding of God’s purpose and calling for our life and how we choose to serve God and others, set priorities, make decisions, and evaluate circumstances.

STRUCTURE:

1. What is the mission of your business?
2. How will you obtain the financial resources you need to start this business?
3. Who are the key partners (suppliers, agents, etc.) and how do they provide external resources and activities that are essential to developing and providing the product or service?
4. How will you communicate your value proposition to your customers (promotion plan)? For non-profit businesses, the communication of your value proposition shifts from those being served (customers) to the public and potential donors who will support the service.
5. How will you deliver your product or service to your customers?
6. What are the key business activities that your business must perform extremely well to successfully create a recognizable “brand” loyalty for your product or service?

SUSTAINABILITY:

1. How much “start-up” funding will be needed to become fully operational, including the purchase of the assets needed and to cover the operating losses that will be incurred until you reach a point where resources match expenses (see the Start-up Costs section of the financial plan template)? In your response, identify key assumptions used to make this projection including the kind of assets that must be acquired and the number of months and average monthly losses until fully operational.
2. Summarize the projected revenues, expenses, and net surplus (profit) and other key financial statistics that help explain the results you expect the business to achieve when it is fully operational. Include on the last page of the business plan a financial statement that supports these results. Go to website resources to download the Financial Plan Guide and Templates. This guide includes financial plan templates for a for-profit (including social enterprise) and non-profit business with instructions on how to complete.
3. What are the potential risks that would negatively affect the success of this business, and the contingency plans you have developed to minimize the impact of those risks?
